

THE TRUTH?

Upon first appearance of this website you might be inclined to think it's just another web site offering their version of the truth. Perhaps you are a bit confused at all the various statements found here.

A few years ago, when I decided to believe in what is called the bible, I took one look at the various denominations out there and decided I wasn't going to trust any of them. How could they all have the truth?

There are literally thousands of denominations today. Each of them claims to offer **the truth**. Amidst all those denominations, how can we know what is the truth?

I decided that although men can be liars, **Yahuwah¹** does not lie.

So I decided to put my trust in His Word, the Scriptures (commonly called the Bible). Through the study of the scriptures I discovered that there are a lot of things that people don't want to accept from His word.

Usually, the reason they aren't commonly accepted is the fact that you will have to be very different from others. But I'm sure Yahuwah isn't pleased when we let a fear of being different affect what we believe.

If it is truth, then it is truth and we must accept it, no matter what. I later learned that there are others like me who decided to forget about all the denominations, traditions, doctrines, etc. and just study what the scriptures say and seek to walk in it.

I am encouraged that nearly all that I have met came to much of the same conclusions that you see on this web site. You may notice that a lot of the words on this web site are simply scripture.

This is because I do believe that His Word is the best teacher. If I can just point it out, I know that He can do the rest. I am convinced that those who seek the truth without pretence will find it. Here are a couple scriptures I love:

Jeremiah 29:13 - and ye shall seek me, and find me, when ye shall search for me with all your heart.

¹In my search for truth, I discovered that Yahuwah is the Name of the Heavenly Father (falsely called "the LORD" which in Hebrew is Ba'al). Yahushua is the true Name of the Messiah, not Jesus. And El or Elohim is the Hebrew word that is commonly translated "God". This may seem confusing at first, but I believe I have to quote His word in truth so I will use these instead of the false ones.

***Isaiah 45:22 - Look unto me, and be you saved, all the ends of the earth:
for I am El, and there is none else.***

So let's take our eyes off the denominations and let's look to **Yahuwah** to find the truth of salvation!

There is a promise given to those who find and walk in the way of truth.
